	<b>Monday 16<sup>th</sup> November</b>	<b>Tuesday 17<sup>th</sup> November</b>	<b>Wednesday 18<sup>th</sup> November</b>	<b>Thursday 19<sup>th</sup> November</b>
<b>2:30 – 3:30pm</b>	Young voices on physical activity - Active Leaders	School sport in uncertain times - Youth Sport Trust	A Whole Systems Approach to Healthy Weight - PBE	Breaking down barriers to cycling for children and families - Cyclox
<b>Summary of session</b>	This session will begin with recorded clips of primary, secondary and sixth form students giving personal accounts of their experiences and opinions of PE and physical activity. Following this, the audience will have the opportunity to engage and discuss as to how any issues raised could be addressed in order to create a more inclusive sporting experience.	The purpose of the session is to ensure that Competitive Sport is valued as a tool for positive youth development. It will challenge practitioners to question the purpose of competitive sport.	A whole systems approach (WSA) for healthy weight aims to bring stakeholders together from a broad range of sectors to address the food and physical activity environment in Oxfordshire.	An opportunity to hear from Oxfordshire families and residents about the barriers they face to cycling and active travel as well the solutions that have been used so far.
<b>4:00 – 5:00pm</b>	X	How Physical Activity can Improve Mental Health During a Pandemic – Oxfordshire Mind	X	X
<b>Summary of session</b>	This session will explore how physical activity can enhance better mental wellbeing during the pandemic, and discuss the development of mental health support during the Covid-19 outbreak. We will consider how to provide wellbeing support alongside PE, and discover how Oxfordshire Mind can support schools during this difficult time.
