

Set up a local WEA Volunteer Group

wea.org.uk

We need **volunteers!** We need **YOU!**

Do you want to be a volunteer? Have a passion for education? Do you believe in adult learning?

We would like to count on you to create a new WEA branch/volunteer group in your area.

A WEA branch is a local group that works together to organise and promote an educational programme to people in their area.

If you would like to know more about it, get in touch with ipradera@wea.org.uk and we will contact you.

At the WEA, we believe all adults should have access to the opportunities of education, right on their doorstep. With 2,000+ dedicated tutors, 3,000+ active volunteers and supportive members, we spread our impact nationwide.

Together, we believe in access to adult learning for all. We believe in lifelong learning for all. And, we believe adult learning counts towards a better, fairer society for all.
